If possible, may we please secure Rosett's grand jury testimony, on the limited topic of his business dealings with Elite, [REDACTED], and Radom, before a Flint grand jury on 8/1/18?

Ben-

Good afternoon. Is Rosett going to provide the government with all the emails, documents and records that relate to his business dealings with [REDACTED], Radom, and Elite?

I have some specific follow-up questions for Rosett regarding his business practices with [REDACTED], Radom, and Elite. May I please setup a meeting with him at our Pontiac office on 7/5, 7/30, or 7/31?
